Healthy Approaches to Board Governance

Discussion Questions

<p>How could our board foster a sense of shared accountability, so the burden doesn't fall on the same few people?</p>	
<p>How can we motivate our board to action and keep them motivated between meetings?</p>	
<p>How could our board avoid micromanagement and encourage strategic thinking?</p>	
<p>What can we do to ensure we are following inclusive practices and listening to an array of voices in our decision-making processes?</p>
